On June 19, 1992, Nelson Valley Water Association ("Nelson Valley") filed an application with the Commission for authority to establish a Non-payment Charge, a Service Call Charge, a Return Check Charge, a Reconnection Charge and a Tampering Charge of \$20 each.

North Nelson has provided evidence of the individual expenses incurred to provide the services associated with the proposed charges. After reviewing the evidence and being sufficiently advised, the Commission finds that the charges are equal to the expenses incurred to provide the associated services. It further finds that the proposed charges as set forth in the Appendix to this Order are fair, just, and reasonable and should be approved.

IT IS THEREFORE ORDERED that:

1. The charges in the Appendix to this Order, which is attached hereto and incorporated herein, are approved for services rendered by Nelson Valley on and after the date of this Order.

2. Within 30 days of the date of this Order, Nelson Valley shall file its revised tariff sheets setting out the charges approved herein.
